

For people experiencing homelessness, having a key to their own home can mean a new lease on life.

3Keys exists for a single purpose: to end chronic homelessness in Atlanta.

We develop and manage affordable permanent housing with onsite supportive services for adults facing the challenges of mental illness and homelessness.

Our success in helping people escape homelessness is rooted in three keys that enable individuals with mental illness to live with purpose and dignity.

Housing: A home of their own that is permanent and stable.

Help: Supportive services to help residents live independently.

Hope: An environment that enhances the opportunity for a better life.

We serve more than 500 people a year, including:

- Single Adults
- Veterans
- Formerly Incarcerated/ Returning Citizens

People who experience:

- Mental Illness
- Physical disability
- Substance use disorders
- HIV/AIDS

“It was through my housing that I found a type of unconditional acceptance. 3Keys reached out and gave me HOPE.”

– Gerald S.
